ORDER

ALISON J. NATHAN, District Judge:

The Court has received several letters and phone calls from putative class members requesting information about the status of this action. The Court held a fairness hearing on December 1, 2017. On February 13, 2018, the Court issued an Order establishing a supplemental exclusion period for certain individuals and entities. *See* Dkt. No. 392. The Order provided that within 14 days of the closing of the supplemental exclusion period, the parties shall provide to the Court an updated report describing the results of the supplemental exclusion period. The Court is waiting to receive that report before issuing a decision regarding Plaintiffs' motion for final approval of the class action settlement.

SO ORDERED.
